

WINGS Central Alabama Safety Seminar

Come join us for a discussion beginning with Billy Hattaway and a Power Point presentation on runway incursions. Montgomery ATC will follow with information on SVFR, VFR On-Top Clearances, Class D/TRSA Operations, Runway/Taxiway Construction, & new phraseology. Refreshments are provided by Montgomery ATC.

Directions: · From I-65, take Exit 181 Highway 14 East. Drive 6 miles, the Wetumpka Airport will be on the right.
· From 231, take Highway 14 West. Drive approximately 8 miles, the airport will be on the left. · The Air Evac Hangar is east of the terminal building.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!
